Office Hours Mon-Fri 8am-5pm

Dear Valued Customer,

Thank you for the opportunity to provide service for your trash and recycling needs. We appreciate the confidence you have placed in Mr. Trashman.

Our goal is to serve our clients to the best of our ability. If we ever disappoint you, we hope you will let us know; we'll do everything we can to make things right. For any questions or comments please call 508-278-6910 or email us at trashmaninfo@gmail.com.

Sincerely,

Patrick R. Norris

Policies and Procedures

Important Information for Our Customers:

- **Trash must be out by 6:00am.** Re-routing, holidays and inclement weather can all effect the time your truck comes. Best practice is to have your carts out the night prior to pick up.
- **All TRASH should be bagged.** Using bags helps keep your carts clean and it also prevents spillage while we are emptying them.
- **Single Stream Recycle should be loose inside your cart or bin.** This helps in the separating process at the disposal site. Recycling material that is bagged frequently ends up in the trash at the disposal site.
- **Amount of allowable material** is limited to the containers provided. Extra trash or recycle carts can be added to your account for an additional fee. (Trash \$15/month, Recycle \$7/month 64 gal, \$9/month 96 gal)
- **For safety reasons the maximum weight limit is 50 lbs. per barrel.**
- **No construction material is accepted.**
- **Invoices will be sent quarterly.** Any payment not received within 15 days of invoice due date will be assessed a \$10.00 late fee. After 30 days there will be an interruption in service until the payment is received.
- **Return check** fee is \$25.00.
- **Service Cancellation:** Mr. Trashman reserves the right to interrupt or cancel service at any time.
- **Property Damage:** Mr. Trashman is not responsible for damage to property.
- **Yard Waste and Hazardous Waste:** We do not collect yard waste or hazardous waste. Please contact your local Board of Health for disposal information.
- **Discount Service:** Customer may not use more than 1 discount for service.
- **Email Invoice Program:** We will email your invoice. If you prefer to have the invoice sent via US mail please specifically ask us to do so.
- **Severe Weather or Holiday:** We will send email alerts for schedule changes due to severe weather or holidays. We also post to social media, [Facebook](#) and [Twitter](#), and our blog.
- **Snow Storms:** Containers must be free and clear of snow so our drivers can access them.

2019 Holiday Pickup Schedule

New Years Day	Monday	01/01/19	No Pick Up	One Day Delay
Memorial Day	Monday	05/27/19	No Pick Up	One Day Delay

Single Stream Recycling

All residents are encouraged to participate in our recycling program.

What is single stream recycling?

Single-Stream recycling is a recycling process in which materials are collected all mingled together with no sorting required by individual recyclers. So cans and bottles can be recycled together with newspaper, cardboard, etc. The Recycle Facility sorts all items and sends to various markets for sale. These same markets are where the actual recycle process takes place.

What exactly can I put into my single-stream cart?

Paper
Plastic
Cardboard (broken down and in your recycle cart)
Glass
Metal cans

Please Rinse Clean.

Please NO:

Glass: Ceramics, light bulbs, window glass, mirrors, crystal, dishes, drinking glasses, or Pyrex.

Metal: pots or pans, aerosol cans, paint cans

Paper: foam trays or cups, Styrofoam

Plastics: Items that do not have a #1-7 should be put in regular trash.

Waste Ban Items

Are you aware of the waste bans on certain solid waste and recyclables in the State of Massachusetts? These bans were instituted in 1999 and are monitored and enforced by the Department of Environmental Protection. For more information, visit the DEP website at www.state.ma.us/dep

(Not allowed at landfills, therefore, not allowed in regular trash.)

Waste Ban Items

Televisions/Computer Monitors
Propane tanks, humidifiers
Car Tires
Refrigerators
Water Coolers, Air conditioners
Car Batteries
Construction Debris
Christmas tree
Yard Waste

Massachusetts and Federal regulations prohibit certain materials from being disposed of as trash: Tires, Auto Batteries, Auto Fluids, Scrap Metal, Propane Tanks or Gas Cylinders; White Goods, Refrigerators, Air Conditioners, Dehumidifiers, freezers; Computer Monitors & Televisions; Fluorescent Light Bulbs & Mercury Products; Leaves and Yard Waste, Liquids, Paint & Paint Products; Hazardous Waste, Medical Waste, Asbestos.

For Yard Waste and Hazardous Waste:

Please contact your local Board of Health for disposal information. Not allowed in regular trash.
